School Cycle Training in Solihull

Training we offer

- **Balance**

Develops crucial early cycle handling and awareness skills in 4-5 year olds using games on balance bikes.

- **Learn to Ride**

This module is designed for anyone who has yet to master pedalling.

- **Bikeability Level 1 & 2 – Y5/6**

Level 1 develops cycle handling in the playground and prepares riders for on road.

Level 2 develops riders' skills and confidence for cycling on single-lane roads and navigating simple junctions in moderate traffic flows.

- **Bikeability Level 3 – Y7/8**

Develops riders' skills and confidence so they can commute to school in diverse road environments, including busy roads and complex junctions

- **Family**

Teaches family's to cycle together safely
