

Love Solihull is an environmental initiative co-ordinated by Solihull Council to support the local community in making a real difference to where they live.

Through working together, we can help make the borough one of the cleanest, greenest and safest in the country.

We help individuals, educators, businesses, charities, and voluntary organisations look after neighbourhoods, local parks and green spaces.

.

## Ways to get involved

- ♥ Hold a community litter pick - we can loan kit to your school
- ♥ Take the classroom outside to your local park and spend time discussing the ways to look after it and keep safe
- ♥ Carry out a project alongside a local community group to improve the biodiversity of an area
- ♥ Plant some trees alongside volunteers and the Planting Our Future team
- ♥ Take part in a school competition hosted by Love Solihull
- ♥ Tell all staff, students and parents about Love Solihull and encourage them to get involved outside of school

Love Solihull is a member of the **Keep Britain Tidy Network**

We can support your school to take part in national campaigns like the Great British Spring Clean, which aim to eliminate litter, end waste and improve public spaces

**Great British Spring Clean 2022**  
Friday 25 March – Sunday 10 April 2022

# Planting Our Future

Solihull

THE GREAT  
BIG GREEN  
WEEK 

Your school could help to tackle climate change by:

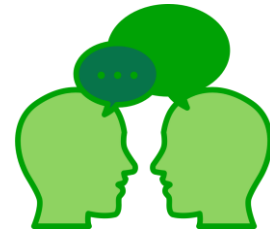

- Offering land to plant a carbon-storing orchard or woodland
- Creating a green roof or living wall to encourage biodiversity

Our team is here to support your idea:

# How we can support your project

We will listen to your idea and provide guidance to help your school make a difference in the local community

We can advise you when putting together a project plan, helping you to consider any implications and associated risks

We can signpost you to available funding opportunities and resources to help make your idea a reality

We can help you to run in-school campaigns and competitions to generate interest amongst young people and their families

If you need volunteers or local support, we can put you in touch with people who may be able to lend a hand

We can promote your activity or project to the residents of Solihull through our social media and monthly newsletter
